

Sponsorship

**Want to join the TEDxBath community?
Become a sponsor.**

TED is a non-profit organisation devoted to Ideas Worth Spreading, often in the form of short talks delivered by leading thinkers and doers. Many of these talks are given at TED conferences, including thousands of independently organised TEDx events around the world.

Founded by Bath's very own Chris Anderson, TEDx is a programme of local self-organised events that bring people together to share a TED-like experience.

Here at TEDxBath, we have a variety of flexible sponsorship packages that can be tailored to allow you to show your support for our fantastic event.

We look forward to hearing from you about ways in which we can work together to make an event that will bring Ideas Worth Spreading to the people of Bath.
